

Today!!!

**They sky is blue when I wake up
this morning!**

**Mom makes my favorite breakfast
of bacon and eggs! She asks me if
I'm ready for this exciting day!**

I tell her I can't wait. There will be a parade of kids and whistles blasting!

People will smile and open doors for me!

They'll welcome me with big banners and signs!

**And a beautiful lady comes over and says,
"Welcome to School."**
